**SUMMER CAMP IS RIGHT AROUND THE CORNER  
AT  
FLANDERS VALLEY COUNTRY DAY SCHOOL**

**OUR SUMMER CAMP IS FOR CHILDREN ENTERING  
GRADES K-6  
FROM JUNE 23-SEPTEMBER 2, 2011**

**Summer camp at Flanders Valley Country Day School is not your ordinary day camp. Our fun filled days are not just spent on the campus of our state of the art facility, but off campus as well. We feature swim lessons each week and day trips to go berry picking, visiting the Great Falls and Wild West City to name just a few.**

**Families may choose to send their children for as many as 12 weeks with us, or as few as 2 weeks. We are very flexible with our scheduling and are eager to meet the needs of your particular child.**

**Registration is ongoing and spaces are filling up quickly.
